The result is a heavenly, delicious chocolate that brings a wealth of incredible benefits. Amoriss is an ultimate feast of senses with amazing heart-healthy, longevity and anti-aging benefits!

*Fall in love with the unique balance of the most delectable flavors ever combined with a heavenly piece of organic dark chocolate.*

**ACAI BERRY** is one of the most nutritious and powerful foods in the world! Acai contains a remarkable concentration of antioxidants that help combat premature aging. Called the **Super Food #1** by Dr. Nicholas Perricone, the high-energy Acai (*ah-sigh-ee*) berry grows on a special Amazon palm tree in Brazil. Acai is packed full of antioxidants, amino acids and essential fatty acids.

**MANGOSTEEN** is known as the "Queen of Fruits". Mangosteen contains xanthones, an incredibly potent antioxidant with numerous health benefits ranging from maintaining a healthy immune system protection to promoting joint flexibility.

**GOJI BERRIES** grow in remote areas of Tibet, Inner Mongolia, and China, and are known to maintain a healthy immune system, blood pressure and blood sugar. Goji have been traditionally regarded as a longevity, strength building, and sexual potency food.

Called the "French Paradox", **RED WINE EXTRACT AND RESVERATROL** provide the heart-health benefits of red wine without the alcohol. Worldwide research shows that the components of red wine support the cardiovascular system, provide antioxidant protection, promote cholesterol wellness and balance the immune system.

**POMEGRANATES** are rich with antioxidants and have thrived for centuries as the fruit of choice for kings and nobles. The pomegranate has recently been acclaimed for its health benefits, in particular, for its disease-fighting antioxidant potential and support of cardiovascular health.

**RHODIOLA ROSEA** is grown in eastern Siberia and dubbed golden root by the natives for its ability to boost energy, enhance moods, and improve mental alertness & well-being.
